**Summary of Feedback Analysis and Action Taken:**

Sr. No	Particulars / Action Point	Action Taken
1.	A student pointed out the outdated use of the SPSS Software and requested a change for the forthcoming batches	The point was taken into consideration
2.	Instead of Political Economy, the curriculum should be focused on more economic related subjects as the former was already covered during our school.	It was informed that our Programme Structure has a few fixed course and therefore more additions are a challenge but will be explored.
3.	A student requested a change in the course structure for Semester 5.	It was informed that Semester 4 was relatively relaxed due to the Global Immersion Program. Course structure has also been revised.
