Summary of Feedback Analysis and Action Taken:

Sr. No	Particulars / Action Point	Action Taken
1.	Query was raised by students, whether the paper on Trade Finance is going to be taught for the semester. If workshops on trade finance policy and imperatives could be organized.	It was clarified by stating that it cannot be taught to the current batch of Development Studies, as such a change requires Board of Studies approval. It was suggested that a workshop on same could be organized in the forthcoming semester.
2.	A workshop on accounting is required.	A workshop would be conducted on same by Mr. Amey Sane.
