1	Do you wish to recommend any new topic/s to the course curriculum? If Yes please specifyâ€¦.	28.57% (8)	71.43% (20)	<p>Entrepreneurship</p> <p>1. Basic Python Software learning for data analysis to students. 2. Any foreign language course (certificate/elective paper) Behavioural Economics should be a part of the main course structure in first year. Having the RM course in first semester because that is the semester we start making our research papers. They ll help us more if taught the first semester itself. International Trade : international political economy and trade Python Pleas make the Research Methodology course be taken in sem 1 as it is not very useful for us when taken in sem 2. Also please add in optional subjects for semesters 3 and 4</p>
